Sounds good, thanks Ryan.

Nancy, Chad, Steven – let me know how you'd like to proceed with scheduling, if possible.

I have removed Peter from the email chain for simplicity sake since this would be a meeting with The Dow Chemical Company. Dennis

Ryan,

Finding solutions re plastic waste and marine debris is an important priority for
Dow. We would love to collaborate with EPA in any way possible to address the issue. I
will have a couple of executives in town on Oct 15-16 and I would love to meet with you
and your leadership team, including Nancy Beck, Chad Macintosh and Steve
Cook. Looking for 30 minutes if possible.

Thank you for your consideration. Dennis
